MY SKILLS, MY DREAM

About Germaine Training Institute

Germaine Training Institute is focused on giving you grounded, competency-based technical training — real knowledge, real skills and the right attitude for the world of work. Every programme is organised and supervised jointly by our own experts and the industry, so the experience you gain here is genuinely practical, not just theoretical.

OUR VISION

"To be a Centre of Distinction in Training, Research, and Innovation"

OUR MISSION

"To deliver Superior Training, Research, and Innovation for Societal Transformation and Sustainable Development."

OUR CORE VALUES

✓ Customer Focus ✓ Integrity ✓ Team work ✓ Innovation ✓ Passion ✓ Positive Mental attitude

Our Academic Schools

Nine Academic Schools offering National Diploma, Certificate, Artisan Certificate, Vocational and Short Course programmes — each built on practical, competency-based training.

School of Medical & Health Sciences

Clinical, health and allied medical training.

School of Hospitality, Tourism & Travel

Culinary, front office and tourism management.

School of Engineering

Electrical, plumbing, welding and technical trades.

School of Computing & Informatics

Software, networking and cyber security.

School of Cosmetology, Fashion & Design

Hairdressing, beauty therapy and fashion design.

Business & Social Sciences

Business, management and social science studies.

School of Communication & Media

Journalism, broadcasting and media production.

School of Agriculture

Modern, practical agricultural training.

School of Virtual Learning

Flexible online and distance study options.

MY SKILLS, MY DREAM
